(Underline the presenter of the article)

Abstract: This template has been prepared for authors of contributions to be presented at the 4th International Environmental Forum of Tanta University (TUEF2020) themed "Green Environment and Sustainable Development" to be held in Alexandria (Egypt), in 10-13 March 2020. Authors are requested to follow these guidelines to achieve uniformity in the presentation of the Conference Proceedings. Please summarise your research in the form of a 1 page extended abstract. Please do not include graphics, tables or equations in the extended abstract. Give a summary of the most relevant contributions of your article. Indicate the objective, the methods, the results, and conclusions. Indicate how your work fits the profile of the TUEF 2020 forum. Emphasise in what way the research is novel and makes a difference to the state-of-the-art in your field.

Keywords: Please provide up to five keywords, which reflect the content of your contribution. Use semicolons as keyword separators.
